PRODUCTION

A blend of two indigenous grapes - Kotsifali and Mandilaria - which are hand-harvested and then cooled before vinification. Maceration lasts for one week, and the parcels of grapes are vinified separately, undergoing temperature-controlled fermentation using selected yeasts.

TASTING NOTE

Ripe red fruit aromas, with appealing cherry and strawberry notes on the palate, supple tannins and juicy acidity.

FOOD MATCH

A good match for hearty vegetable pasta dishes or meat kebabs
