PRODUCTION

The vineyards, situated in the southern reaches of Troyes achieve greater ripeness which leads to a richer fruit. Only the first, lightest pressings are used, as is usual for fine Champagne. Classic slow second fermentation in bottle followed by maturing on the lees for at least 18 months before being disgorged and released for sale.

TASTING NOTE

This champagne shows fine mousse in the glass and fresh floral aromas mixed with characteristic sweet, doughy overtones, which are balanced by richer fruit, peach skin characters and classic baked biscuit flavours with a crisp citrus finish.

FOOD MATCH

Drinks very nicely well chilled on its own of course (but not on your own - this is the sociable drink par excellence after all!) , but also recommended with light nibbles, salads and simple fish dishes.
