Henners Blanc de Noirs 2020

EHN150 HENNERS EAST SUSSEX, ENGLAND

PRODUCTION

Made from a blend of 80% Pinot Noir and 20% Pinot Meunier. The grapes are gently pressed to capture the richness and spice of Pinot Noir fruit while maintaining balance and finesse. Four years lees ageing enhances texture and brings an elegant creaminess to the palate, resulting in a wine of poise and refined character.

TASTING NOTE

Rich and expressive, with layers of dark red fruits, cherry, blackberry and plum, complemented by subtle notes of nutmeg, cooked strawberry, red apple and almond. Extended lees ageing contributed to a fine creaminess and structural weight, enhancing complexity and leading to a clean, dry finish.

FOOD MATCH

Made for late dinners, fireside moments and celebrations that linger long into the night.
