# Frizzante, Veneto (20 litre Keg) NV

IAV000 ADRIA VINI VENETO, ITALY

## PRODUCTION

---

Produced from selected white grape varieties cultivated on marly, calcareous soils and gently sloping vineyard sites of Veneto, Italy. After harvesting the grapes undergo a slow fermentation at low temperatures to retain freshness and aromas. Secondary fermentation takes place in stainless steel tanks at 15-17°C.

## TASTING NOTE

---

Fresh citrus and green apple aromas. The palate is gently sparkling with appealing orchard fruit notes and bright acidity.

## FOOD MATCH

---

Perfect to enjoy on its own, as the perfect party and picnic wine - or with summer salads, fish and chicken dishes.
