Maison Boutinot Céliane Côtes de Thau Rosé, IGP Côtes de Thau 2025

PRODUCTION

The grapes are sourced from vineyards cultivated near to Lake Thau, set in a formerly volcanic region just inland from the sea. This has a particular micro-climate - as the proximity of the water has a moderating effect on the typically Mediterranean temperatures, allowing optimal ripening whilst retaining fresh acidity. The grapes are harvested in the early morning, then the wine is vinified as a classic rosé de presse, with soft pressing and cold fermentation.

TASTING NOTE

This luscious and textural blend is very much a food wine; rich currant flavours provided by Grenache and tangy raspberry from Cinsault before a dry and fresh finish.

FOOD MATCH

Pasta dishes, barbeques and grilled chicken salads.
