## PRODUCTION

---

The fruit for this wine is sourced from selected vineyard sites within Stellenbosch. The conscientiously considered mixture of cool gravelly slopes facing False Bay and rich red granitic soils around Stellenbosch ensure a beautiful balance of aromas and flavours in the final wine. Once harvested, the grapes are bunch sorted and pumped into open-top fermenters. Here, Christo and the winemaking team vinify each vineyard block separately, allowing the unique characteristics and flavours of each block to develop. After a year of ageing, the final blend is made, and the wine spends a further year in oak before release so a total 22 months in 225L French oak barrels. 13 % new oak. The result is a Cabernet Sauvignon that brims with complexity thanks to the blended fruit from diverse terroir.

## TASTING NOTE

---

A pure varietal nose with fine cassis and black cherry aromas and notes of violet and cedar spice. The palate is ripe and fruit forward with nice depth of fresh blackcurrant fruit and fresh acidity. Well-integrated oak and fine-grained tannins support the lengthy finish.

## FOOD MATCH

---

Try with slow-cooked lamb shank or a rich and savoury beef or veggie stew.
