Pablo Y Walter Malbec, Valle de Uco (25cl can) 2024

ARB006VI BOUTINOT ARGENTINA MENDOZA, ARGENTINA

PRODUCTION

Produced from 25 year old vines in the Uco Valley, close to Walter's bodega in the rain-shadow of the Cordon del Plata. The unwooded Malbec is vinified in stainless steel to preserve the freshness and brightness of the fruit. Walter bought three spankily new 25000-litre steel tanks specifically for this project and subsequently somehow crow-barred them into his small family bodega.

TASTING NOTE

A really pure expression of Malbec, deep red almost purple in colour and wonderfully aromatic with lifted violet, red currant and cassis notes. Muy, muy fantasticó – richly bloody, vibrant, Latin and velveteen.

FOOD MATCH

A juicy steak, churrasco de chorizo marinated with garlic, parsley and olive oil, grilled vegetables with chimichurri sauce. Remeber to keep it chilled.
