Pasquiers Sauvignon Rolle, IGP Pays d'Oc 2024

FPB229 MAISON BOUTINOT LANGUEDOC, FRANCE

PRODUCTION

For this wine two parcels of Sauvignon Blanc and Rolle (the traditional French name for Vermentino) were selected from the sun-drenched vineyards of southern France. Their position, on alluvial sand and silt, encourages the vines to root deep into the soil, finding the water they need to sustain them during the long, hot summers. Each plot is harvested in the cooler early mornings and the Sauvignon Blanc is always harvested a few weeks before the later ripening Rolle. Both varieties then undergo cold maceration in stainless steel tanks, followed by gentle pressing and alcoholic fermentation on fine lees (at a temperature of 16-18°C) to bring out the creamy texture of the Rolle, which perfectly balances the freshness of the Sauvignon Blanc.

TASTING NOTE

A deliciously refreshing change from straight Sauvignon Blanc. Luscious exotic fruit aromas from the Rolle are balanced by the clean, zingy fruit of Sauvignon, resulting in a wonderfully aromatic smooth dry white.

FOOD MATCH

Ideal served well chilled as an apéritif yet has enough acidity to partner a classic French moules marinière or any creamy based chicken recipe. Rolle adds exotic notes which can complement Chinese and oriental dishes.
